MIKE

What do you want to know? I'd like to tell you to start at the other end of the line. Ah, I can't think of a thing.

I started dancing because my sister did. I come from this big Italian family. My grandmother was always hanging out the window leaning on a little pillow. 'Cause that's what Italian grandmothers do...hang out windows. I was the last of twelve...I was an accident. That's what my sister told me....Oh...my sister Rosalie.....she was the one who started taking dance lessons. My mother would take her every Saturday, she used to take me along....I liked going... and I'd sit there all perky and watch.....

Then one day sis couldn't go so I put on her shoes and ran to class. Everyone started calling me 'twinkle toes'. It didn't bother me...Alright, it bothered me. I didn't want anyone calling me 'twinkle toes' just because I took a couple of dance classes
