

MAGGIE WINSLOW: *Female-. Soprano. A sweetheart, little sister type. Innocent and naive.*

MAGGIE

I don't know what they were for or against really, except each other. I mean, I was born to save their marriage but when my father came to pick my mother up from the hospital he said, "Well I thought this was going to help. But I guess it's not"....Anyway, I did have a fantastic fantasy life. I used to dance around the living room with my arms up like this. My fantasy was that it was an Indian Chief....And he'd say to me, "Maggie, do you wanna dance?" And I'd say, "Daddy, I would love to dance".
