

DIANA MORALES: *Female, Alto. Streetwise, a little bit tough, deals only in reality not fantasy. A determined athletic dancer from the Bronx.*

DIANA

My name is Diana Morales. And I didn't change it 'cause I figured ethnic was in. Twenty-seven. You got that? And I was born on a Hollywood bed in the Bronx. The Bronx....it's uptown and to the right.

I have rhythm - I'm Puerto Rican. I always jumped around and danced.

Oh, you wanna know how tall I am? The color of my eyes? Or how many shows I've done? I just gave you my picture and resume, everything you wanna know is right there.

Hey, do you want to know if I can act? Gimme a scene to read, I'll act, I'll perform. But I can't just talk. Please, I'm too nervous.
